

Cloud Account:

The screenshot displays the IBM Cloud Dashboard in a web browser. The browser's address bar shows the URL `cloud.ibm.com`. The dashboard's header includes the IBM Cloud logo, a search bar, and navigation links for Catalog, Manage, and the user's account (Shalini R's Account). The main content area is titled "Dashboard" and features a "For you" section with several recommended actions:

- Build**: Explore IBM Cloud with this selection of easy starter tutorials and services. (Getting started, 5 min)
- Monitor your resources**: Get visibility into the performance and health of your resources. (Getting started, 5 min)
- Get Started with Watson Studio**: Get started with using AI and Cloud Object Storage in 15 minutes. (Popular, 2 hr)
- Explore tutorials**: Try out a variety of tutorials to get you started with IBM Cloud or help you with more complex scenarios. (Getting started, 10 min)
- Browse, select, and create a database**: Choose from our range of available databases to store critical data and documents for your system. Includes deployment time. (Getting started, 10 min)
- Moving the cloud**: Plan the success of your migration. (Getting started, 10 min)

Below the "For you" section, there are three main tiles:

- User access**: Includes a "Manage users" link and a prompt to "Enter email addresses below to jump directly into the invite user setup".
- News**: Features a "View all" link and a headline "Announcing IBM Cloud Pak for Network Automation Version 2.4".
- Planned maintenance**: Includes a "View all" link and a prompt to "Go to Settings to activate Windows".

The bottom of the image shows the Windows taskbar with the search bar, taskbar icons, and system tray showing the time as 1:24 PM on 10/29/2022.
